++ Valid for broadcast between 1800 and 0600

Headline:
Hot and sunny for the west, cloudier in east Friday.

This Evening and Tonight:
Another very mild or even warm night in the west, with some good spells of evening sunshine but low cloud will spread back inland in the north and east during the evening. Clear spells continuing in the west. Minimum temperature 12 deg C (54 deg F).

Friday:
Low cloud once again burns back to the coast in the east and north to give another dry, sunny day and feeling hot. Maximum temperature 29 deg C (84 deg F).

Outlook for Saturday to Monday:
Mostly dry warm and sunny Saturday and Sunday, overnight low cloud burning back to the east coast in the mornings. Cloudier with a chance of rain on Monday.
